Carlyle Reports Second Quarter 2023 Financial Results

August 2, 2023

New York and Washington, August 2, 2023 – Global investment firm The Carlyle Group Inc. (NASDAQ: CG) today reported its unaudited results for the second quarter ended June 30, 2023. The full detailed presentation of Carlyle's second quarter 2023 results can be viewed [here](#).

Carlyle Chief Executive Officer Harvey M. Schwartz said, "While the economic backdrop remains complex and investor sentiment remains mixed, the peak of the inflation cycle may have passed. We're cautiously optimistic activity levels will accelerate from here. Our deep and talented investing teams are focused on capitalizing on opportunities to deploy capital where we see great risk-reward. As a leadership team, we are intensely focused on delivering performance excellence for our investors and driving long-term shareholder value. We are taking action to mobilize teams around priority areas to drive disciplined growth and I am confident Carlyle is well-positioned for the future."

U.S. GAAP results for Q2 2023 included income (loss) before provision for income taxes of \$(0.1) billion and net income (loss) per common share of \$(0.27) on a diluted basis. Total balance sheet assets were \$21 billion as of June 30, 2023.

Dividend

The Board of Directors has declared a quarterly dividend of \$0.350 per common share to holders of record at the close of business on August 15, 2023, payable on August 23, 2023.

Conference Call

Carlyle will host a conference call at 8:30 a.m. EDT on Wednesday, August 2, 2023, to announce its second quarter 2023 financial results. The conference call will be available via public webcast from the Events & Presentations section of ir.carlyle.com and a replay will also be available on our website soon after the call's completion.

About Carlyle

Forward Looking Statements

This press release may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. These statements include, but are not limited to, statements related to our expectations regarding the performance of our business, our financial results, our liquidity and capital resources, contingencies, our dividend policy, our expected future dividend policy, the anticipated benefits from converting to a corporation and other non-historical statements. You can identify these forward-looking statements by the use of words such as "outlook," "believes," "expects," "potential," "continues," "may," "will," "should," "seeks," "approximately," "predicts," "intends," "plans," "estimates," "anticipates" or the negative version of these words or other comparable words. Such forward-looking statements are subject to various risks, uncertainties and assumptions. Accordingly, there are or will be important factors that could cause actual outcomes or results to differ materially from those indicated in these statements including, but not limited to, those described under the section entitled "Risk Factors" in our Annual Report on Form 10-K for the year ended December 31, 2022 filed with the SEC on February 9, 2023, as such factors may be updated from time to time in our periodic filings with the SEC, which are accessible on the SEC's website at www.sec.gov. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in this release and in our filings with the SEC. We undertake no obligation to publicly update or review any forward-looking statements, whether as a result of new information, future developments or otherwise, except as required by applicable law.

This release does not constitute an offer for any Carlyle fund.
