The Carlyle Group's AlInvest Partners Reaches \$4.2 Billion for Secondaries Program

AlInvest Secondaries Fund V Closes at Cap with \$750 Million

NEW YORK & AMSTERDAM & HONG KONG--(BUSINESS WIRE)-- AlInvest Partners, the private equity fund of funds arm of The Carlyle Group's Solutions platform, announced that its AlInvest Secondaries Program (ASP) has reached \$4.2 billion, including AlInvest Secondaries Fund V (ASF V) closing at its hard cap of \$750 million. The ASP is a dedicated Secondaries program that has acquired positions in existing private equity funds and interests in privately held companies since 2012.

The ASP consists of (i) commitments from AlInvest's cornerstone investors APG and PGGM, (ii) managed accounts with dedicated allocations to secondaries and (iii) the ASF V, a commingled fund with commitments of \$750 million, which closed on October 14th, reaching its hard cap and exceeding its \$500 million target. A total of 18 new investors committed capital to the ASF V, including sovereign wealth funds, public pensions, corporate pensions, insurance companies, asset managers, and foundations located in North America, Latin America, Europe, Africa, the Middle East and Asia-Pacific.

AlInvest has committed \$9.1 billion through 84 transactions in secondaries in the past 11 years and currently has a dedicated 22-person team based in New York, Amsterdam and Hong Kong.

Jacques Chappuis, Head of Carlyle Solutions, said: "The addition of 18 new investors and \$750 million in commitments to the overall ASP is a great example of our success in providing investment and liquidity solutions to clients. The closing of ASF V is an important step in expanding the investor base for AlInvest, and we are excited to have the opportunity to deliver for new and existing investors."

Volkert Doeksen, Chairman of AlInvest, commented: "The new commitments to the ASP allow us to invest further in attractive opportunities within the secondaries arena for our recently magnified investor base." He added: "This is a testament to the quality of our people, our investment strategy and robust track-record."
